POLYCOM®

A POLYCOM PROMOTION

Polycom® Trade-in/Trade-up Promotion

Benefit today from Upgrading

Vacation rental powerhouse, HomeAway in Austin, TX had originally implemented another vendor, but upgraded to Polycom after a year. "We used to have complaint after complaint about calls dropping and bad quality with other vendors, since implementing Polycom, we no longer receive those at all. Polycom is the solution that sets us apart from everyone else."

David O'Rourke, HomeAway

Get the best for less!

There's never been a better time to upgrade and experience the difference of Polycom® RealPresence® Room Solutions for businesses of all sizes. With our new enhanced trade-in/trade-up promotion, you can receive a 15% discount on new Polycom® HDX Room Telepresence systems when trading in qualifying legacy or competitive equipment. These discounts are now provided to you in the form of an up-front discount streamlining processing and improving cash flow. These enhanced savings will only be available until June 30th 2012 so call your local Polycom representative today to start reaping the benefits of improved productivity and bandwidth savings.

You will have more productive meetings and enjoy taking part in video conferences with Polycom technology.

- Natural interaction and better comprehension are accomplished with the Polycom® UltimateHD™ technology
- High Definition calls at 50% of the bandwidth consumption allows users from all offices to enjoy the highest quality even with a minimum amount network connectivity

Ease-of-use and better experiences await with Polycom technology.

- Add new systems to increase on-site availability
- Make video collaboration the standard for new facility build-outs
- High impact communications will be automated with the innovative Polycom® EagleEye Director
- Demystify video collaboration with the simplicity of the Polycom® Touch Control interface
- Collaborate and share content in a more life-like manner with the Polycom® UC Board™

Replace legacy competitive equipment with a lower-cost, higher performing solution

- Deploy standards-based interoperable solutions for lower cost
- Lower overall total cost of ownership through lower annual service fees

Eligible Polycom HDX Video Solutions

Upgrade to Polycom HDX room telepresence solutions and experience improved total cost of ownership and user adoption! Users of Polycom HDX room telepresence solutions can experience high definition video conferencing at a fraction of the bandwidth of other solutions with H.264 High Profile. High Profile significantly lowers the total cost of ownership and allows organisations to expand visual communication to locations that previously weren't considered due to lack of bandwidth.

ACT NOW and save up to $4290/E3300/£2838 per video endpoint!
